## ***Dinner Meeting***

The responses from members have indicated that the majority prefer a dinner meeting once every 3 months in a segregated room in a restaurant. Therefore it has been decided that the next Society meeting will be held on Friday, 11<sup>th</sup> September 1998 at the Staff Club, 5/F, Communal Building, Hong Kong Polytechnic University. Chinese style dinner will be served.

The meeting will start at 7:00 p.m. but members are welcome to be there at 6:00 p.m. to have a drink first.

In order to know in advance the number of members joining the dinner for booking purposes, **please return this fax with your response to 27861767 or call Ms. Jane Chu at 27869009 before 7 Sept 1998.**

## ***Proposal and Reports from Committees***

We have been waiting for quite some time for proposals and reports from respective committees. The Chairman and Co-ordinating Executive Council members are requested to present their proposal and report in the coming dinner meeting.

## ***Proposal for Honorary Society Presidents***

There have been proposals to appoint one or a few Honorary Society Presidents from prominent person in Hong Kong. Members are requested to think over this and offer your views in the coming dinner meeting.

## ***Updated Membership List***

An updated membership list including the Graduate Members is enclosed with this circular for your information. Please advise the Society if there is any change in the details provided.

The use of fax is the most convenient and economic way of passing information between the Society and members. The fax messages are sent out automatically through computer, please therefore ensure that your fax number is correct and that your fax machine is able to receive fax messages without the need for prior voice contact.

## ***Society logo stickers***

One of the intentions of the society logo stickers is to improve the image of the society. Members are

encouraged to place the logo sticker on the cover of their reports and other document to indicate that the auditor is a member of the Society.

## ***Welcome Graduate Members***

We welcome a number of Graduate Members from the students of the 1<sup>st</sup> intake of the SATS programme. Whilst some formalities have to be completed before they can be formally admitted as members, they are invited to participate in the coming dinner meeting on the 11<sup>th</sup> September 1998. Please send your reply slip.

## ***Society Ties***

We have only received confirmation for 41 Society ties which is insufficient to enable placing an order because the stock left will be too large. Other members who have not responded are requested to indicate so in the reply slip as well.
